Musical Instrument Tuition for 2024-2025

Dear Parents,

As you may know, there is the opportunity for children at St Michael's to have musical tuition to learn the violin or a brass instrument.

We are currently in the process of organising musical tuition for next year and would like to know if there are any other children who would like to join in. It is an excellent opportunity to develop the skills learnt in our whole class instrument lessons or to learn something new and presents excellent value for money – private instrument tuition for individuals can be very expensive but learning in a small group at school makes the cost far more manageable.

We would recommend that a new learner only takes on one instrument at the start. It is very important to establish a good pattern of practising at home to build up skills – having two instruments to practice can make this very hard work at the start and we want music to be fun. There is always the opportunity to take up another instrument after the first year if your child shows particular interest and skill.

Please complete the attached agreement form if you would like your child to have the opportunity to learn a musical instrument in the next academic year. Musical tuition for either violin or brass for the year will cost a total of £150.00 payable in 2 instalments of £75.00. The first instalment is payable no later than **Friday 21st June 2024** with the second instalment due by Friday 22nd November 2024.

If you would like to take this opportunity, you must sign the agreement form attached and commit to the payment terms detailed above for the whole academic year (please note that payment must be made for the whole year even if your child stops taking lessons part way through), as we must pay for the whole year as a school.

Lessons will not be delivered to pupils until payment is received.

Forms and the first payment for academic year 24-25 must be received no later than **Friday 21st June 2024** so that we can arrange the tuition. You will receive further details confirming the tuition once all interest and payments are received and once the groups have been organised.

Kind regards,
