

5<sup>th</sup> September 2024

### Year 5 Viking Day Workshop

Dear Parents/Carers,

Our History topic in year 5 this term is the Vikings. To enhance the children's learning experience, 'Portals to the Past' will be running a full day workshop in school. This exciting day will immerse the children in Viking life, covering everything from home-life and battles to Viking games and mythology. Activities include playing a Viking board game, exploring artifacts, and participating in a reenacted Viking battle.

Our workshop will take place on **Wednesday 2<sup>nd</sup> October** at a cost of £12.75 per child. Please pay the full amount via the School Gateway under the heading 'Payments – Y5 The Vikings by **Friday 27<sup>th</sup> September**. Please speak to the school office if you have any questions or concerns relating to the cost.

Thank you for your support and we look forward to a full day of history learning!

Yours Sincerely

Mrs Welch and Mrs Navratil
