Listen to the children. Do you think they are telling the truth? What makes you think that it might not be true? If you weren't sure if someone was telling the truth or not, how do you think you could find out? Who could you ask?

My Dad has a new job as an astronaut. He flew all the way to the moon yesterday!

I've got a pet giraffe. It lives in my garden and I feed him fresh leaves every day.

My next-door neighbour is a giant. His house is so big it reaches up to the clouds. If people are mean to me, I send the giant round to their house to scare them!

You're my best friend so I'm going to buy you a real racing car for your birthday and we will be able to go wherever we like.
