

Respectful Restraint Training

ConnectEd Partnership are pleased to offer this course, which will be delivered by school colleagues who have completed the Level 3 BTEC Award in Physical Intervention, certified by NFPS Ltd.

Easy to learn and remember - Legally Defensible - Ensures confidence

Participants will gain

- The skills and knowledge to safely restrain and de-escalate heightened situations
- Examples of the different types of restraints and opportunities to try them out under guidance and supervision
- Information on the implementation and maintenance of Reasonable Force Policy
- Explanations of the legalities of using restraint in schools
- Support around administration e.g.: the policies that need to be in place if using restraint

Flexible Delivery Options

- Schools can choose to host the training on-site as a whole-school training day, with a minimum of 18 and a maximum of 32 participants
- Schools can also select staff members to attend training sessions at alternative locations, subject to availability
- The training session will run from 9:00am to 4:00pm, and host schools will need to provide a suitable space for the training

Costs
