Monday 20th April

Y5 Food Technology

Dear Parents and Carers

On Thursday (April 23rd), Year 5 will be completing our food technology project by making our bread, designed last term.

We will be testing and tasting the bread too. If your child is not able to have margarine (the same as the margarine we have on our school bagels), please let me know.

As it is possible that we make may a little mess, please send your child to school on Thursday with an apron or old shirt to wear over their uniform to protect their school clothes. Long hair also needs to be tied back for good food hygiene.

Kind regards,
Mrs Rogers
