### Year 4 Parent Workshop- Multiplication Tables Check

Dear Parents and Carers,

We would like to invite you to attend a short **Year 4 Multiplication Tables Check (MTC) workshop** to help you better understand this statutory assessment and how you can support your child.

The workshop will take place **on Tuesday 28th April at 9:00am** and will last approximately 30 minutes. During the session, we will share key information about the Multiplication Tables Check, including:

- What the MTC is and why it is completed in Year 4
- How and when the children will sit the check
- Practical ways you can support your child in preparing at home

The workshop will provide an opportunity to ask questions and gain a clear understanding of what to expect, so that we can work together to support the children in feeling confident and prepared. If you can attend, please complete the slip below and return it to the school office by **Monday 27<sup>th</sup> April**.

We hope you can join us and look forward to seeing you there.

Yours sincerely,

Mrs McLean
