PSHE Parent Information Meeting – Tuesday 19th May 2026

Dear Parent/Carer,

In light of upcoming changes to the requirements for teaching Relationships Education and Health Education from September 2026, we have been working on how we can make sure that our curriculum meets the updated Government statutory requirements and the needs of our pupils.

As part of this, we would like to invite you to come into school to hear about our preparations so far for the new requirements, which we will teach through our Personal, Social, Health & Economic (PSHE) education lessons. This will take place on **Tuesday 19th May 2026 at 2:15pm** in the school hall.

During the session we will share examples of resources used in our PSHE programme and have time to discuss any questions parents might have about our approach to teaching the subjects within PSHE. We are sure you will find the session useful and informative.

If you would like to attend, please complete the slip below and return it to the school office before **Friday 15th May 2026**.

If you have any questions regarding PSHE or are unable to attend this session but would still like to find out about our approach in school, then please contact Mrs Luscombe or the school office.

We hope you can come along and look forward to seeing you.

Yours sincerely

Mrs Luscombe
PSHE lead teacher
