Musical Instrument Tuition for 2026-27
New and existing learners

Dear Parents,

As you will know, there is the opportunity for children at St Michael's to have musical tuition. At the start of a new school year there is the opportunity for new learners to join in. It is an excellent opportunity to develop the skills learnt in our whole class instrument lessons or to learn something new, and presents very good value for money – private instrument tuition for individuals can be very expensive but learning in a small group at school makes the cost far more manageable.

This year, we will be continuing to offer brass, violin and guitar lessons for KS2 pupils.

Please complete the attached form if you would like your child to have the opportunity to learn a musical instrument in the next academic year, either as a new learner or continuing musical instrument lessons at St Michael's. Musical tuition for violin, brass or guitar for the year will cost a total of £150, payable in 2 instalments via the Arbor App in the school shop. The first instalment of £75 is due by **13th July** and will be visible on the Arbor App this academic year. The second instalment of £75 is due by **30th September 2026** and will be visible to pay from September. If you would like to take this opportunity, please note that a place cannot be confirmed without payment of the initial instalment this term.

Forms must be returned by **Monday 22nd June** at the latest so that we can arrange the tuition. Once your form is returned your child's name will be added to the 'Music Instalment payment 1' item in the Arbor school shop so that you can may the required payment. You will receive a letter confirming a tuition place has been offered later in the summer term once the groups have been organised and payment received.

Yours sincerely,
