28th September 2026

Dear Parent/Carer

Important Notice

All School Communications Moving to the Arbor App

From tomorrow, all school correspondence, including letters, newsletters, curriculum information, announcements, and other important communications, will be sent via the Arbor App.

Moving to digital communication will help us to reduce paper waste and support our ongoing commitment to becoming a more environmentally responsible school.

If you require a paper copy of any communication at any time, please contact the school office. We will be happy to accommodate your request where needed.

If you have not yet downloaded the Arbor App, we strongly encourage you to do so as soon as possible. The Arbor App is our primary method of communication with parents and carers, ensuring that you receive important updates, announcements, and school information promptly. Should you need any help setting up the App, please contact the school office.

We appreciate your support and cooperation as we make this transition to a more efficient and environmentally friendly way of communicating.

Thank you for your continued support.

Yours sincerely,

H-M Navratil.

Mrs H-M Navratil
Vice Principal
