Dear Parents and Carers,

It has been a real pleasure to welcome the children back to school and to see how quickly they have settled into their new classes, routines and expectations. We are incredibly proud of the positive attitude to learning that children have shown already. They have approached their lessons with enthusiasm, curiosity and a real determination to do their best.

We have also been delighted by the way children have conducted themselves around school. They have been polite, kind and respectful towards both adults and their peers, and it has been particularly lovely to see our older children looking out for and supporting our younger pupils.

Our Reception children deserve a special mention. They have made such a confident start to school life and it has been fantastic to see them becoming increasingly independent. Many of them are now confidently coming through the school gate on their own and making their way into class. A huge thank you also goes to our Spiritual Councillors, who have been there each morning to warmly welcome and reassure our youngest children as they arrive. Their support has made such a positive difference.

Overall, the children have made a fantastic start to the academic year. Their enthusiasm, kindness, independence and positive approach have made us incredibly proud.

We look forward to a happy, successful and exciting year ahead, filled with learning, friendship and wonderful opportunities for all of our children.

Thank you for your continued support.
