Year 4 Bikeability Opportunity

Dear Parents/Carers,

We have been offered the opportunity for children in Year 4 to complete the Bikeability level 1 training organised by Wolverhampton City Council. Bikeability is the government's national cycle training programme. It helps children learn practical skills and understand how to cycle on today's roads. It gives everyone the confidence to cycle and enjoy this skill for life.

Children who would like to take part would need to be able to provide their own roadworthy bicycle with working breaks and a helmet. The session would take place in one afternoon on the school playground.

If you would like your child to take part in this training, please return the slip below to school. If there is sufficient interest, a session will be booked and dates shared with you.

Kind Regards,

Mrs K Luscombe

PE lead teacher
