**Year 6 SATs Revision Books – Supporting your child at home**

Dear Parents / Carers,

As in previous years, we are offering the opportunity to buy revision guides that cover the main areas in English and Maths as it is considerably cheaper to order these through school than to buy them in the shops. There are many available, so we have selected good books which provide the best value for money (including study books which present the information and workbooks which give the children a chance to practise what they have learned).

The books available to purchase are as follows:

<b>MATHS</b> - KS2 Maths SATs Buster bundle <b>standard level</b> – 4 question books and answers - £5.75
<b>MATHS</b> - KS2 Maths SATs Buster bundle <b>stretch level</b> – 4 question books and answers - £5.75
<b>READING</b> - KS2 Reading SATs Buster Bundle <b>standard level</b> – 4 books with texts and questions plus answers - £5.75
<b>READING</b> - KS2 Reading SATs Buster Bundle <b>stretch level</b> – 4 books with texts and questions plus answers - £5.75
<b>GRAMMAR</b> - KS2 Complete Grammar, Punctuation and Spelling SATs buster bundle – 4 question books and answers - £5.75
<b>MIXED SET</b> - Year 6 SATs Essentials: Study & Question Book Bundle – 4 books (1 Maths Revision Guide, 1 Maths Question Book, 1 English Revision Guide, 1 English Question Book) £9.50

If you would like to purchase any of these workbooks, please order through the **Arbor School Shop** where you will see the items listed above. Please make payment by **9am on Monday 8<sup>th</sup> December** so that the books can be ordered and handed out at the start of the Spring term. After this date, the books will no longer be available to order through school.

If you cannot get all of them, we recommend getting the maths and grammar books. If you would like to see more details of the books, you can visit the CGP website.

Thank you for your continued support.

Yours sincerely,

Mrs C McLean
