13<sup>th</sup> January 2026

Dear Parents/Carers,

### **Year 2 visit to Wolverhampton Fire Station**

On **Friday 30<sup>th</sup> January 2026**, children in Year 2 will be visiting the fire station in Wolverhampton. This visit will be to enhance the learning the children have been doing in their history lessons on the Great Fire of London. The trip will focus on the equipment that the fire service use now compared to what they had available to them in 1666. This will enable the children understand why the fire in 1666 took so long to put out!

We will be travelling by bus into Wolverhampton and walking to the fire station. **Each child will need to bring their bus fare of £2.20 in a named envelope before or on the day ready to travel.**

They will need to wear their school uniform, a warm coat and suitable school shoes for walking.

We will be visiting the station in the morning so children will be back in school in time to have their lunch at normal time.

We hope that the children will enjoy this unique experience to see how our emergency services work and they will learn lots of new facts to bring back to our history lessons in school.

Kind Regards,

Mrs Luscombe and Miss Warrilow
