What is Bikeability?

Bikeability is the government's national cycle training programme that teaches children practical cycle skills and how to cycle safely and confidently on roads.

Cycle training is taught by friendly, qualified Bikeability instructors. Courses include Level 1, where children learn the fundamentals of cycling in a traffic-free environment, Level 2, where they learn cycling techniques and road safety on quiet roads, and Level 3, that focusses on more advanced cycling skills.

Find out more: <https://www.bikeability.org.uk/>

Please complete the form as soon as possible to your school. Failure to complete this form will unfortunately result in your child being unable to take part in Bikeability cycle training.

If you have any questions, please contact Maria Williams, City of Wolverhampton Council at maria.williams@wolverhampton.gov.uk or telephone 01902 551791.
