**Number Day for NSPCC- Reminder**

Dear Parents/Carers,

As previously communicated, we are taking part in Number Day tomorrow (**Friday 6<sup>th</sup> February**). Children can come to school wearing number themed clothes/costumes. This could include decorating an old t-shirt with numbers, dressing as a Numberblock or wearing a football shirt with a number on the back.

During worship this week, the school council have shared with the children information about the NSPCC, how donations support the charity and what we will be doing in school on Friday to raise more awareness and take part in Number Day.

To help raise money for the NSPCC, we are asking for donations (suggested donation of £1). Thank you to those of you who have already donated- your generosity and support is greatly appreciated. Please donate by Friday 13<sup>th</sup> February via GiftT scanning the QR code below. Feel free to share with family and friends so we can support the NSPCC. Every penny counts.

We're really looking forward to all the fun of Number Day, and we really appreciate your support. All the money we raise at St Michael's C of E Primary Academy will make an enormous difference to children today and help the NSPCC be there for children tomorrow. Thank you.

Yours sincerely,

Mrs McLean, Mrs Navratil and the School Council
